The Photographic Salon Exhibitors Association

Entering 2023, the epidemic in Hong Kong is gradually stabilizing, and everything in society is gradually returning to normal. The 56th E.A. International Salon of Photography 2023 of our association was successfully held, and an additional category of black and white digital division was added, totaling 6 categories of events.

This International Salon has 31 countries participating, with 174 participants and a total of 2106 entries, indicating the enthusiasm of the participants!

The successful completion of this year's International Salon was due to the dedicated leadership of the Salon Chairman, Mr. Leung Kin-hing, the selfless efforts and dedication of all Salon members, as well as the results achieved under the detailed examination of all judges.

The art of photography has entered the electronic digital era, and photography is becoming more popular; as a result, a large number of photography salon enthusiasts have emerged everywhere, not only with new themes and high quality, but also with excellent works constantly emerging. The works of this year's Salon are breathtaking, and we eagerly look forward to more salon enthusiasts participating in the next salon!

The 56th International Salon will showcase over 500 masterpieces in the Exhibition Gallery of the Hong Kong Central Library from October 17th to 22nd of this year. We hope that everyone can come and provide us guidance at that time!

Wishing everyone good health and great progress in the art of photography!

Salon Chairman

The 56th EA International Salon of Photography

I would like to express my deepest gratitude and respect to all the photography enthusiasts in the past year. Without your selfless dedication and effort during the COVID-19 pandemic and the subsequent reopening of our society, the 56th E.A. International Salon of Photography 2023 would not be possible.

My special thanks to our organizing partners - your support and contributions that have enabled us to organize more exciting events and exhibitions. The passion and talent of fellow photographers have injected vitality and creativity into the art of photography. Your exceptional skills and experiences have enriched our society's events and inspired other members to tap into their creative potential.

Finally, I want to express my sincerest gratitude to each and every member. It is your participation and support that have led to the achievements of our society today. We will continue to strive, contributing our efforts to the development of photographic art with new elements and providing more learning and networking opportunities for every member.

On behalf of the Association, I would like to once again extend my heartfelt thanks to all the participating parties.

Wishing you good health and happiness!
